Hi there!

Do you know the number of small businesses working day and night all around the world to succeed and grow their businesses?

Agencies are key solution providers to small businesses. You - as agency - turn your clients' ideas into real-world experiences. You help your clients succeed in many areas including branding and marketing.

Actually, you play a very important role in the success of small businesses. With this responsibility in mind, you put all your creativity and productivity in action to help your clients succeed.

We created Sendloop Studio to help agencies provide better solutions to their clients. We help agencies become email marketing heroes and help their clients succeed.

We hope you join our platform. We're excited to get you onboard.

Best,
Sendloop Studio

Case Study: Konsist Agency

Konsist, located in Palm Springs, California, was managing its client email marketing accounts separately, and it was a time-intensive process to switch back and forth between accounts to manage campaigns.

Konsist is now managing all client accounts, assets, and campaigns under one roof. Its productivity is maximized by 100%, and it can deliver results for clients faster and in a better way.

“The Sendloop Studio team is so awesome to work with; they got us 100% productivity boost on our email marketing services.” – Adnan LaPamuk

Case Study: Connected Pictures

Connected Pictures from London was looking for an easy-to-use email marketing platform for its own initiatives, such as The Beautiful Truth. The agency also was looking for a hands-on and experienced team that would help its email marketing campaigns succeed.

Connected Pictures streamlined its monthly email marketing campaigns and also organized its audience under one roof. With the help of the powerful audience management portal, the marketers can target new email campaigns for specific audience groups quickly. Connected Pictures built its email marketing strategy and put it into action in less than a few weeks.

“Sendloop Studio’s platform helped us to build a robust and continuous email marketing strategy. This was the biggest change and helped us to build a strong connection with our audience.” – Christine de León

Case Study: Ocelott

Ocelott is an interactive design and communication consultancy agency located in London. It manages clients' email marketing and social media campaigns. It was always a challenge to create and manage campaigns using clients' various email marketing services, as well as get feedback.

Ocelott's marketers are now managing their client email marketing campaigns under their own platform without losing time and energy by managing several different platforms. They also can deliver results faster.

"Thanks to Sendloop Studio, we can run better email marketing campaigns for our clients. We tried almost all email marketing platforms out there but could never get more than what we're doing with Sendloop Studio." – Sertac Ogut
